**INVESTORS REALTY COSTA RICA HAS ANNOUNCED THEIR
PRIMARY CHARITABLE SUPPORT OF *THE HAVEN***

FORT LAUDERDALE, FL. DEC. 6, 2007:

Investors Realty Costa Rica has announced their primary charitable support of *The Haven*, an alternative home in Boca Raton, Florida for boys ages 9 up to 18.

IRCR's involvement with The Haven began three years ago, at their annual holiday party in Ft. Lauderdale, Florida where employees and guests arrived with donations for these young men. IRC is proud to announce its continued support of The Haven this upcoming holiday season with fulfilling items on their "wish list", helping bring smiles to these deserving souls.

"Its important to us, especially this time of year, to give back to the community," said Brian Albury, one of the partners at IRCR. "As a father I see how much our young children need and want our compassion and guidance. We're looking forward to presenting The Haven with our largest donation yet. And a special thanks to all of our staff, families and clients who've gotten behind our cause."

The Haven is an alternative home for boys, ages 9 up to 18, who have been placed in protective care by the State of Florida. Their program is designed to foster the development of each young man's self-esteem and independence in a safe, loving and stable environment while teaching the skills necessary for them to become self-sufficient and proud adults. The Haven is an accredited organization through COA, the Council on Accreditation and has an "exceptional" 4-Star Charity rating from Charity Navigator. For more information on how you can help the young men at The Haven call (561) 483-0962 or visit www.haven4kids.org.
